INDEPENDENT AUDITOR'S REPORT

To The Members of BMW VENTURES LIMITED

Report on the Audit of the Financial Statements:

Opinion

We have audited the accompanying financial statements of BMW VENTURES LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is

A D V & Associates
Chartered Accountant

B-601, Raylon Arcade, RK mandir road, Kondivita, Andheri East- 4000059

sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting

A D V & Associates
Chartered Accountant

B-601, Raylon Arcade, RK mandir road, Kondivita, Andheri East- 4000059

records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

A D V & Associates
Chartered Accountant

B-601, Raylon Arcade, RK mandir road, Kondivita, Andheri East- 4000059

3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes

A D V & Associates
Chartered Accountant

B-601, Raylon Arcade, RK mandir road, Kondivita, Andheri East- 4000059

public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its

A D V & Associates
Chartered Accountant

B-601, Raylon Arcade, RK mandir road, Kondivita, Andheri East- 4000059

directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us :
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. There has not been an occasion in case of the Company during the year under report to transfer any sums to the Investor Education and Protection Fund.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 8(iv) to the standalone financial statements);
(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner what so ever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 8(v) to the standalone financial statements); and

A D V & Associates
Chartered Accountant

B-601, Raylon Arcade, RK mandir road, Kondivita, Andheri East- 4000059

- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The company has not declared or paid any dividend during the year.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of BMW VENTURES LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of BMW VENTURES LIMITED (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable

A D V & Associates
Chartered Accountant

B-601, Raylon Arcade, RK mandir road, Kondivita, Andheri East- 4000059

assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Chartered Accountant

B-601, Raylon Arcade, RK mandir road, Kondivita, Andheri East- 4000059

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of BMW VENTURES LIMITED of even date)

- 1) In case of the Company’s Property, Plant and Equipments and Intangible Assets:
 - (a)
 1. According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
 2. The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The Fixed Assets have been physically verified by the management in a phased manner which, in our opinion, is reasonable having regard to the size of the company and nature of its assets. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.
 - (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- 2) (a) The management has conducted physical verification of inventory at reasonable intervals during the year, in our opinion, the coverage and procedure of such verification by the management is appropriate. As informed to us, any discrepancies of 10% or more in the aggregate for each class of inventory were not noticed on such verification.

A D V & Associates
Chartered Accountant

B-601, Raylon Arcade, RK mandir road, Kondivita, Andheri East- 4000059

- (b) During the year, the Company has been sanctioned working capital limits in excess of ` 5 crores, in aggregate, from banks on the basis of security of current assets. The Company has filed quarterly returns or statements with such banks, which are in agreement with the books of account of the Company.
- 3) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. The Company has granted loans to three companies during the year; details of the loan are stated in sub-clause (a) below. The Company has not granted any loans, secured or unsecured, to firms, limited liability partnerships or any other parties during the year.
- (a) A. Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has not granted any loans to subsidiaries.
- B. Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has granted loans to three parties other than subsidiaries as below:

Particulars	Amount
	(Rs. In Lakh)
Aggregate amount during the year – Others	600
Balance outstanding as at balance sheet date -Other	611.60

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the terms and conditions of the loans given are prima facie, not prejudicial to the interest of the Company.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, the repayment of principal and payment of interest has been stipulated and

A D V & Associates
Chartered Accountant

B-601, Raylon Arcade, RK mandir road, Kondivita, Andheri East- 4000059

the repayments or receipts have been regular.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan given falling due during the year, which has been renewed or extended or fresh loans given to settle the overdues of existing loans given to the same party.

(f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans either repayable on demand or without specifying any terms or period of repayment.

- 4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security.
- 5) The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2022.
- 6) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company. Thus, reporting under clause 3(vi) of the order is not applicable to the Company.
- 7) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has generally been regular in depositing undisputed statutory dues including provident fund, employee's state Insurance, Income-Tax, Goods and Services Tax and any other material statutory dues applicable to it with the appropriate authorities.
(b) According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2022 for a period of more than six months from the date on when they become payable.
(c) According to the information and explanation given to us, there are no dues of Income Tax, Goods and Services Tax, duty of customs outstanding on account of any dispute.

A D V & Associates
Chartered Accountant

B-601, Raylon Arcade, RK mandir road, Kondivita, Andheri East- 4000059

- 8) According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.
- 9) (a) According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Willful Defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion, and according to the information and explanations given to us, the term loans have been applied, on an overall basis, for the purposes for which they were obtained.
- (d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- 10) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally)
- 11) (a) Based upon the audit procedures performed and the information and

A D V & Associates
Chartered Accountant

B-601, Raylon Arcade, RK mandir road, Kondivita, Andheri East- 4000059

explanations given by the management, we report that no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.

(c) The company has not received any whistle blower complaints during the year (and up to the date of this report).

- 12) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.
- 13) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- 14) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
(b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- 15) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.
- 16) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) of the Order is not applicable.
(b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.
(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.

A D V & Associates
Chartered Accountant

B-601, Raylon Arcade, RK mandir road, Kondivita, Andheri East- 4000059

- (d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- 17) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- 18) There has been no resignation of the statutory auditors of the Company during the year.
- 19) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20) The Company has during the year spent the amount of Corporate Social Responsibility as required under subsection (5) of Section 135 of the Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
- 21) The reporting under Clause 3(xxi) of the Order is not applicable in respect of audit of financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

1 Corporate information

BMW Ventures Limited is a public company domiciled in India and incorporated and established on October 07, 1994 under the provisions of the Companies Act, 1956. The Company primarily deals in trading of iron & steel, material of Tata Steel and Tractor from John Deere-India. Accordingly the company has major Turnover of iron & steel business as its Business Segment. The company is also engaged in manufacturing of PVC pipes in the state of Bihar.

2 Basis of preparation

a) Statement of compliance:

These financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013 (the "Act").

The company have adopted Ind AS for the first time for the financial year 2021-22. The financial statement upto and for the year ended on 31 March, 2021 were prepared in accordance with the companies (Accounting Standards), rules 2006 notified under the section 133 of the act and other relevant provisions of the Act. As these are the Company's first financial statements prepared in accordance with Ind AS, Ind AS 101, First-time adoption of Indian Accounting Standards has been applied. An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance of the Company is provided in note 46.

The financial statements were authorised for issue by the Board of Director on August 31, 2022.

Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the Company's functional currency. All amounts have been rounded-off to the nearest lakhs (₹), as per the requirements of Schedule III of the Act, unless otherwise stated.

b) Basis of measurement:

The financial statements have been prepared on a historical cost convention, except for certain financial assets and financial liabilities that are measured at fair value as required under relevant Ind AS.

c) Significant accounting judgements, estimates and assumptions

The preparation of the company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in future periods affected.

d) Critical accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

i. Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

ii. Employee benefit plans

The cost of the defined benefit gratuity plan, other post-employment benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iii. Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

iv. Property Plant and Equipment

Useful lives and residual values are determined by the management at the time the asset is acquired and reviewed at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

3 Significant accounting policies

3.1 PROPERTY, PLANT & EQUIPMENTS

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition or construction less accumulated depreciation and impairment, if any. Freehold land is measured at cost and is not depreciated.

Cost comprises purchase price, non recoverable taxes and duties, labour cost, direct overhead for self constructed assets, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company.

All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses, if any.

Depreciation on property, plant and equipment has been provided using written down value method using rates determined based on management's assessment of useful economic lives of the asset.

Followings are the estimated useful lives of various category of assets used which are aligned with useful lives defined in schedule II of Companies Act, 2013 :

Office Building	30 Years
Furniture & Fixture	10 Years
Vehicles	8 Years
Office Equipment	5 Years
Computers	3 Years
Solar	35 Years

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Derecognition:

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is de-recognized.

Capital work-in-progress (CWIP)

Cost of property, plant and equipment not ready for use as at the reporting date are disclosed as capital work-in progress. Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

3.2 LEASES

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- The contract involves the use of an identified asset – this may be specified explicitly or implicitly, and should be physically distinct or represent substantially all of the capacity of a physically distinct asset. If the supplier has a substantive substitution right, then the asset is not identified;
- The Company has the right to substantially all of the economic benefits from the use of the asset throughout the period of use; and
- The Company has the right to direct the use of the asset. The Company has this right when it has the decision making rights that are most relevant to changing how and for what purposes the asset is used. In rare cases where the decision about how and for what purpose the asset is used is predetermined, the Company has the right to direct the use of the asset if either:

- The Company has the right to operate the asset; or
- The Company designed the asset in a way that predetermines how and for what purposes it will be used.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. At inception or on reassessment of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of their relative stand-alone prices.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises of the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and estimated dilapidation costs, less any lease incentives received. The right-of-use asset is subsequently amortised using the straight-line method over the shorter of the useful life of the leased asset or the period of lease. If ownership of the leased asset is automatically transferred at the end of the lease term or the exercise of a purchase option is reflected in the lease payments, the right-of-use asset is amortised on a straightline basis over the expected useful life of the leased asset.

The lease liability is initially measured at the present value of the lease payments that are not paid at commencement date, discounted using, the Company's incremental borrowing rate. The lease liability is measured at amortised cost using the effective interest method. It is re measured when there is a change in future lease payments. Lease payments include fixed payments, i.e. amounts expected to be payable by the Company under residual value guarantee, the exercise price of a purchase option if the Company is reasonably certain to exercise that option and payment of penalties for terminating the lease if the lease term considered reflects that the Company shall exercise termination option. The Company also recognises a right of use asset which comprises of amount of initial measurement of the lease liability, any initial direct cost incurred by the Company and estimated dilapidation costs.

Payment made towards short term leases (leases for which non-cancellable term is 12 months or lesser) and low value assets (lease of assets worth less than `0.03 crore) are recognised in the statement of Profit and Loss as rental expenses over the tenor of such leases.

The following amounts are included in the Balance Sheet :

Non current
Current

	As at 31st March 2022	As at 31st March 2021	As at 1st April 2020
	392.58	372.23	528.56
	88.26	208.75	189.95
	480.83	580.98	718.52

The following amounts are recognised in the statement of profit and loss :

Interest Expenses on Lease Liabilities

	For Period ended on 31st March 2022	For Period ended on 31st March 2021
	44.78	52.42
	44.78	52.42

3.3 OTHER INTANGIBLE ASSETS

Recognition of Intangible Assets

Intangible assets purchased are measured at cost or fair value as on the date of acquisition less accumulated amortisation and impairment, if any.

Subsequent Measurement

Amortisation is provided on a straight-line basis over estimated useful lives of the intangible assets as per details below:

Estimated amortisation period

Software 6 years

The amortisation period for intangible assets with finite useful lives is reviewed at each year-end. Changes in expected useful lives are treated as changes in accounting estimates.

Derecognition of intangible assets

An item of intangible assets is derecognized on disposal or when fully amortized and no longer in use. Any gain or loss arising from derecognition of an item of intangible assets is included in profit or loss.

3.4 INVESTMENTS

a. Investment in equity shares are measured at fair value through Profit and loss account as per the provision of IND AS 109, which includes :

Number	Face value per unit	Description	As at	As at	As at
			31st March 2022	31st March 2021	1st April 2020
		Investment in equity shares measured at fair value through Profit & Loss (Quoted)			
100	10	Flex Food Limited	0.09	0.08	0.03
			<u>0.09</u>	<u>0.08</u>	<u>0.03</u>

b. Investment in Partnership firm measured as per Equity Method

% in Partnership	Name of the firm	Description	As at	As at	As at
			31st March 2022	31st March 2021	1st April 2020
50%	BMW Hardware & Steel Share in profit		8.26	0.11	
	Value of the investment		<u>8.26</u>	<u>0.11</u>	<u>-</u>

3.5 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- ▶ Expected to be realised or intended to be sold or consumed in normal operating cycle
 - ▶ Held primarily for the purpose of trading
 - ▶ Expected to be realised within twelve months after the reporting period, or
 - ▶ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.

A liability is current when:

- ▶ It is expected to be settled in normal operating cycle
- ▶ It is held primarily for the purpose of trading
- ▶ It is due to be settled within twelve months after the reporting period, or
- ▶ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.
The operating cycle is the time between the acquisition of assets and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

3.6 Impairment of non-financial assets

At each reporting date, the Company reviews the carrying amounts of its non-financial assets to determine whether there is any indication of impairment. If any such indication of impairment exists, then the asset's recoverable amount is estimated. For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or cash generating units (CGUs).

The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

3.7 INVENTORIES

Inventories are valued at the lower of cost and net realisable value. Cost of raw materials, components and consumables are ascertained on a FIFO basis. Cost, including fixed and variable production overheads, are allocated to work-in-progress and finished goods determined on a full absorption cost basis. Net realisable value is the estimated selling price in the ordinary course of business less estimated cost of completion and selling expenses.

3.8 CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprises cash on hand, demand deposits and highly liquid investments with an original maturity of up to three month that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

3.9 Provisions, Contingent Liabilities And Contingent Assets

Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Company expects some or all of a provision to be reimbursed, reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost in respective expense.

Contingent Liabilities and Contingent Assets

Contingent liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

3.10 Income tax

Income tax expense comprises current tax and deferred tax.

Current tax:

Provision for current tax is made as per the provisions of the Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax:

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

3.11 Revenue Recognition

The Company recognises revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

A 5-step approach is used to recognise revenue as below:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligation in contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

a. Sale of products
The Company recognises revenues on the sale of products, net of discounts, sales incentives, customer bonuses and rebates granted, when products are delivered to dealers or customers.

The Company offers sales incentives in the form of variable marketing expense to customers, which vary depending on the timing and customer of any subsequent sale of the vehicle. This sales incentive is accounted for as a revenue reduction and is constrained to a level that is highly probable not to reverse the amount of revenue recognised when any associated uncertainty is subsequently resolved. The Company estimates the expected sales incentive by market and considers uncertainties including competitor pricing, ageing of retailer stock

Freight services

Revenue from services rendered is recognised in proportion to the stage of completion of the transaction at the reporting date when the outcome of the transaction can be estimated

Interest income

Interest income on financial asset is recognised using the effective interest rate (EIR) method.

3.12 Employee Benefits

Short-term Employee Benefits:

Employee benefit liabilities such as salaries, wages and bonus, etc. that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at an undiscounted amount expected to be paid when the liabilities are settled.

Post-employment benefit plans:

Defined Contribution Plans:

State governed Provident Fund Scheme and Employees State Insurance Scheme are defined contribution plans. The contribution paid / payable under the schemes is recognised during the period in which the employees render the related services.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

The Company's gratuity scheme is a defined benefit plan. Currently, the Company's gratuity scheme is unfunded. The Company recognises the defined benefit liability in Balance sheet. The present value of the obligation under such defined benefit plan and the related current service cost and, where applicable past service cost are determined based on an actuarial valuation done using the Projected Unit Credit Method by an independent actuary, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligations are measured at the present value of the estimated future cash flows.

Re-measurements, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) is reflected immediately in Other Comprehensive Income in the Statement of Profit and loss. All other expenses related to defined benefit plans are recognised in Statement of Profit and Loss as employee benefit expenses. Re-measurements recognised in Other Comprehensive Income will not be reclassified to Statement of Profit and Loss hence it is treated as part of retained earnings in the Statement of Changes In Equity.

3.13 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
 - ▶ In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible to/ by the Company.

Fair value hierarchy

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that has a significant effect on the fair value measurement are observable, either directly or indirectly.

Level 3: Valuation techniques for which the lowest level input which has a significant effect on the fair value measurement is not based on observable market data.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.14 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- ▶ Debt instruments at amortised cost - The Company has cash & cash equivalents, loans and trade receivables classified within this category.
- ▶ Debt instruments at fair value through other comprehensive Income (FVTOCI) - The Company does not have any financial asset classified in this category.
- ▶ Debt Instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL) - The Company does not have any financial asset classified in this category as on 31st March 2022.
- ▶ Equity Instruments measured at fair value through other comprehensive income (FVTOCI) - The Company does not have any financial asset classified in this category.

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation and losses arising from impairment are recognised in the Statement of Profit & Loss. The amortised cost of the financial asset is also adjusted for loss allowance, if any.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Company has not designated any such debt instrument as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. Any gain or loss on derecognition is recognised in the Statement of Profit and Loss.

Impairment of financial assets

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets that are debt instruments, and are measured at amortised cost e.g. Loans and trade receivables.

The company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables that do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

b) Financial liabilities

Initial recognition and measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at fair value deducted by, in the case of financial liabilities not recorded at fair value through profit or loss, transaction costs that are attributable to the liability.

Subsequent measurement

Financial liabilities are classified as measured at amortised cost using the effective interest method. The Company's financial liabilities include trade payables, borrowings and other financial liabilities.

Under the effective interest method, the future cash payments are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial liability over the relevant period of the financial liability to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as expense over the relevant period of the financial liability in the Statement of Profit and Loss.

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the Derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

3.15 Earnings per share

Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares.

3.16 Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.17 Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets up to the assets are substantially ready for their intended use. The loan origination costs directly attributable to the acquisition of borrowings (e.g. loan processing fee, upfront fee) are amortised in the year in which they occur

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

Statement of Changes in Equity for the year ended 31st March 2022

(Rs in lakhs, unless stated otherwise)

	As at 31st March 2022		As at 1st April 2020

(b) The following tables set out the status of the gratuity plan, unavailed leave and amounts recognized in the Company's financial statements.

a) Salary increases :- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
b) Discount rate :- Reduction in discount rate in subsequent valuations can increase the plan's liability.
c) Mortality & disability :- Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the Plan's liability.
d) Withdrawals :- Actual withdrawals proving higher or lower than assumed with withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

Post-Employment Benefits plan defined in a(iii) and a(iii) above typically expose the Company to actuarial risks such as: Salary increase, Discount rate, Mortality and Disability and withdrawals

40 Employee benefits
a) Description of the type of the plan
Defined Benefit Plan - Gratuity
The Company operates gratuity plan wherein every employee is entitled to the benefit equivalent to 15 days of total basic salary last drawn for each completed year of service. Gratuity is payable to all eligible employees of the Company on retirement, separation, death or permanent disablement, in terms of the provisions of the Payment of Gratuity Act, 1972.

Investment in Quoted Equity Shares	0.03	-	-

There were no transfers between Level 1 and Level 2 fair value measurements, and no transfers into and out of Level 3 fair value measurements.

43 Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings, security deposits, trade and other payables, etc. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade receivable, security deposit, cash and cash equivalents, etc. that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The management oversees the management of these risks. The management is responsible for formulating an appropriate financial risk governance framework for the Company and periodically reviewing the same. The management ensures that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The management reviews and agrees policies for managing each of these risks, which are summarised below.

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk, foreign currency risk and Equity price risk.

(i) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company has borrowings based on fixed rate and floating rate, therefore Company is exposed to such risk on borrowings with floating rates.

Sensitivity Analysis of the Interest Rate

	Year ended 31st March 2022	Year ended 31st March 2021
Impact of the change in Interest rate	1,541.65	1,321.98
Interest cost for the reporting Period	205.83	175.33
Impact due to increase/Decrease of 1.00%		

(ii) Foreign Currency Risk

The Indian Rupee is the Company's most significant currency. As a consequence, the Company's results are presented in Indian Rupee and exposures are managed against Indian Rupee accordingly. The company is not exposed to any foreign transaction hence, company does not have any foreign currency risk.

(iii) Equity Price Risk

The Company's does not have investment in shares hence the company is not exposed to such risk.

(b) Credit Risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the balance sheet

Particulars	As at	As at	As at
	31st March 2022	31st March 2021	1st April 2020
Trade receivables	10,766.88	10,893.00	9,462.00
Other financial assets	451.37	187.11	204.87

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk arises mainly from loans, trade receivables and financial assets. The Company maintains a defined credit policy and monitors the exposures to these credit risks on an ongoing basis.

On adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. Based on internal assessment which is driven by the historical experience/ current facts available in relation to default and delays in collection thereof, the expected credit loss for trade receivables has been provided which has been in note 10 of the financial Statements.

The carrying amount of financial assets represents the maximum credit exposure. The Company monitors credit risk very closely both in domestic and export market. The Management impact analysis shows credit risk and impact assessment as low.

(c) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The following are the contractual maturities of the financial liabilities, including estimated interest payments as at 31st March 2022:

	Carrying amount	Contractual Cash Flows			Total
		0-1 year	1-5 years	>5 years	
Borrowings	16,328.59	13,799.29	2,529.30	-	16,328.59
Trade Payables	295.88	295.88	-	-	295.88
Other Financial Liabilities	3,440.50	3,440.50	-	-	3,440.50
Total	20,064.97	17,535.67	2,529.30	-	20,064.97

The following are the contractual maturities of the financial liabilities, including estimated interest payments as at 31st March 2021:

	Carrying amount	Contractual Cash Flows			Total
		0-1 year	1-5 years	>5 years	
Borrowings	17,082.35	14,283.34	2,799.01	-	17,082.35
Trade Payables	476.38	476.38	-	-	476.38
Other Financial Liabilities	2,198.70	2,198.70	-	-	2,198.70
Total	19,757.44	16,958.43	2,799.01	-	19,757.44

The following are the contractual maturities of the financial liabilities, including estimated interest payments as at 1st April 2020:

	Carrying amount	Contractual Cash Flows			Total
		0-1 year	1-5 years	>5 years	
Borrowings	16,194.75	14,660.32	1,534.43	-	16,194.75
Trade Payables	127.90	127.90	-	-	127.90
Other Financial Liabilities	1,332.99	1,332.99	-	-	1,332.99
Total	17,655.63	16,121.21	1,534.43	-	17,655.63

44 Capital management

The management policy is to maintain a strong capital base so as to maintain investor and creditor confidence and to sustain future development of the business. The Company's management monitor the return on capital employed.

The Following table summarize the capital of the Company

	As at	As at	As at
	31st March 2022	31st March 2021	1st April 2020
Short-term borrowings and current portions of long-term debt	13,799.29	14,283.34	14,660.32
Long Term Debt	2,529.30	2,799.01	1,534.43
Total Debt	16,328.59	17,082.35	16,194.75
Equity	12,428.14	9,224.02	7,034.73
Total Capital	28,756.74	26,306.37	23,229.48

45 Additional Regulatory information

a. Ratio

Ratio	Numerator	Denominator	As at	As at	Change in Ratio (%)
			31st March 2022	31st March 2021	
Current Ratio (In times)	Total current assets	Total current assets	1.34	1.32	1.37
Debt Equity Ratio (In times)	Debt consists of borrowings and lease liabilities.	Total equity	1.35	1.91	(29.37)
Debt service coverage ratio (In times)	Earning for Debt Service = Net Profit before taxes + Depreciation and Amortization + Interest	Debt service = Interest and lease payments + Principal repayments	2.85	2.40	18.39
Return on equity ratio (in %)	Profit for the year less Preference dividend (if any)	Average total equity	29.47%	26.88%	9.65
Inventory Turnover Ratio (In times)	Cost of Good Sold	Average Inventory	12.05	11.04	9.11
Trade receivables turnover ratio (In times)	Revenue from operations	Average trade receivables	14.44	12.50	15.54

Net capital turnover ratio (in times)	Revenue from operations	Average working capital (i.e. Total current assets less Total current liabilities)	24.9	26.1	(4.76)
Net profit ratio (in %)	Profit for the year	Revenue from operations	2.04%	1.72%	18.77
Return on capital employed (in %)	Profit before tax and finance costs	Capital employed = Net worth + Lease liabilities + Deferred tax liabilities	45.31%	42.95%	5.49

Explanation for the changes in ratio exceeding more than 25% :

Ratio	Explanation
Debt Equity Ratio (In times)	Profit is increased as compared to loan

46 Additional Regulatory Information

49 Note on First Time Adoption of Ind AS:

The accounting policies set out in the note here have been applied in preparing the financial statements for the year ended 31st March, 2022, the comparative information presented in these financial statements for the year ended 31st March, 2021 and in the preparation of an opening Ind AS balance sheet at 1st April, 2020 [the Company's date of transition].

In preparing its opening Ind AS balance sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies [Accounting Standards] Rules, 2006 [as amended] and other relevant provisions of the Act [Indian GAAP]. An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following notes.

Exemptions and exceptions availed:

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from Indian GAAP to Ind AS.

Optional exemptions

a Deemed cost

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the Indian GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. Accordingly, the Company has elected to measure all of its property, plant and equipment at their Indian GAAP carrying values.

Mandatory exceptions

b Estimates

The estimates at 1st April, 2020 and at 31st March, 2021 are consistent with those made for the same dates in accordance with Indian GAAP. The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions as at 1st April, 2020, the date of transition to Ind AS and as of 31st March, 2021.

Note on Transition to Ind AS - Reconciliations:

The following reconciliations provide the explanations and quantification of the differences arising from the transition from Indian GAAP to Ind AS in accordance with Ind AS 101:

- I. Reconciliation of Equity as at 1st April, 2020
- II. A. Reconciliation of Equity as at 31st March, 2021
B. Reconciliation of Statement of Profit and Loss for the year ended 31st March, 2021

Previous GAAP figures have been reclassified/regrouped wherever necessary to conform with financial statements prepared under Ind AS.

	Total Comprehensive Income		2,203.45	(14.16)	2,189.28

Foot Note to the Reconciliations

a Remeasurement cost of net defined liability

Both under Indian GAAP and Ind AS, the Company recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under Indian GAAP, the entire cost, including actuarial gains and losses, are charged to profit or loss. Under Ind AS, remeasurements comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets excluding amounts included in net interest on the net defined benefit liability are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI.

b Deferred Tax

The impact of transition adjustments together with Ind AS mandate of using balance sheet approach (against profit and loss approach in the Indian GAAP) for computation of deferred taxes has resulted in charge to Reserves, on the date of transition, with consequential impact to the Statement of Profit and Loss account for the subsequent periods.

c Other comprehensive income

Under Indian GAAP, the Company has not presented other comprehensive income (OCI) separately. Hence, it has reconciled Indian GAAP profit or loss to profit or loss as per Ind AS. Further, Indian GAAP profit or loss is reconciled to total comprehensive income as per Ind AS.

d Estimates

The estimates at 1st April 2020 and 31st March 2021 are consistent with those made for the same dates in accordance with previous GAAP (after adjustments to reflect any differences in accounting policies). The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions on 1st April 2020, the date of transition to Ind AS and as of 31st March 2021.

e Reclassification as per requirement of Ind AS

Reclassification have been done in respective heads as per requirement of Indian Accounting Standards (Ind AS).

50 Previous year's figures have been regrouped / reclassified, where necessary, to confirm to current year's classification. This does not impact recognition and measurement principles followed for preparation of financial statements.
